OUR REF: KMPDU/LT/242/2026 *All correspondences should be addressed to the Secretary General.*

7<sup>TH</sup> JULY, 2026

To: All KMPDU Members,

Dear KMPDU Member,

## RE: URGENT MEMBER CALL FOR INPUT: MEDICAL PRACTITIONERS AND DENTISTS (AMENDMENT) BILL, 2026

Our profession has never been shaped by silence. Every milestone we have achieved has come because doctors chose to speak up, stand together, and defend what is right.

Today, I am once again calling on you to lend your voice.

The Medical Practitioners and Dentists (Amendment) Bill, 2026 is now before the National Assembly. This is not just another piece of legislation, it is a Bill that will define how our profession is regulated, who can practise, the standards we uphold, and the future of medical and dental practice in Kenya.

As your Union, we have been invited to present KMPDU's position before the Departmental Committee on Health. That position must not be mine alone or that of the National Officials. It must reflect the wisdom, experience, and concerns of doctors from every corner of the country.

The proposed amendments touch on critical issues, including the restructuring of the Medical Council, registration of foreign practitioners, mandatory professional indemnity, stronger penalties against illegal practice, and the protection of patients' rights through the prohibition of detaining patients or deceased persons over unpaid bills.

These are significant proposals that deserve careful scrutiny from those who understand the realities of healthcare better than anyone else, YOU.

I therefore urge every member to review the proposed Bill and share your comments, concerns, technical recommendations, or suggested amendments to [nec@kmpdu.org](mailto:nec@kmpdu.org), [info@kmpdu.org](mailto:info@kmpdu.org).

Deadline for submission of member input: **Thursday, 9th July 2026, at 4:00 PM (EAT).**

KMPDU has always been strongest when our members participate. Let us once again demonstrate that the future of our profession is best shaped by those who serve in it every day.

I look forward to receiving your invaluable input.

In Solidarity,
