RE: AWARD OF TENDER FOR THE SUPPLY OF E-VOTING SYSTEM

Following the demonstration of your E-Voting System on **28th February 2026** and the subsequent evaluation, which confirmed full compliance with the prerequisite technical and administrative requirements set out in the tender documents, the Independent Electoral Committee is pleased to formally notify you that M/S D-Tine Ltd has been awarded the tender for the supply, deployment, and support of the E-Voting System for the 2026 KMPDU Elections.

The Committee is satisfied that your system meets the requisite standards of security, verifiability, reliability, auditability, and overall operational capacity necessary to facilitate a free, fair, and transparent electoral process.

You are hereby requested to liaise with the Committee Secretariat to finalize the contractual formalities on **Monday, 2nd March 2026** at the **KMPDU Headquarters Nairobi** and to agree on the implementation schedule, technical deliveries, and service level commitments in accordance with the tender terms and conditions.

We look forward to a constructive and professional partnership to ensure the successful delivery of the 2026 electoral process.

Dr. Mounde Mokaya
