MEMORANDUM OF OBJECTS AND REASONS

Statement of objects and reasons

The principal object of this Bill is to amend the Public Service Commission Act, 2017 to prescribe the mandatory retirement age of sixty years in the Act. The amendments are meant to increase the job vacancies available to Kenya citizens below the age of sixty years. These positions are sometimes held by person beyond the age of sixty years on account that they possess rare knowledge, skills and competencies for the time required in the service. The Public Service Commission and other appointing authorities should be keen on succession planning and take the necessary steps to ensure that they train other person in the organisations to take up these positions.

The Bill also intends to address the issue of an officer acting in a position for more than six months. The period of six months prescribed should provide adequate time for the organisation to recruit and substantively fill the position. Failure to comply with this provision will result in the officer not earning any acting allowances.

Clause 1 of the Bill provides for the short title.

Clause 2 of the Bill provides for the amendment of section 34 of the Act to provide that any officer appointed in an acting capacity shall not be entitled to any acting allowances after the expiry of six months.

Clause 3 of the Bill provides for the amendment of section 80 by prescribing the retirement age of sixty years in the Act as opposed to this age being prescribed in the regulations. It also deletes the provisions allowing the Public Service Commission or any other appointing authority from engaging a person who has attained the age of sixty years.

Clause 4 of the Bill seeks to save the contracts of the officers currently engaged by the Public Service Commission or other appointing authority to be allowed to complete their contracts. It gives the Public Service Commission and other appointing authority a grace period to train officers for the necessary skills required by the organisation.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

The Bill does not limit any fundamental rights and freedoms as provided under the Constitution.

Statement that the Bill concerns county governments

The Bill does not affect the functions of the county governments and is therefore not a Bill concerning counties for purposes of the Standing Orders.

Statement that the Bill is a money Bill within the meaning of Article 114 of the Constitution

The enactment of this Bill shall not occasion additional expenditure of public funds.

BENJAMIN G. MWANGI,
Member of Parliament.

Section 34 of No. 10 of 2017 which it is proposed to amend—

(2) Despite subsection (1)(b), the Commission or other appointing authority may engage the public officer for service after the retirement upon such terms of contract as may be agreed if —
